### *In Faculty*

by Tiffany Lloyd

As many people already know, Andra Mooney is an English instructor on the Goodman Campus of Holmes. She has been dedicated to teaching at Holmes for eleven years. Mooney received her graduate degree at Mississippi College and her undergraduate degree at Mississippi State University. She then enjoyed teaching at Kosciusko High School for sixteen years before joining the Holmes family. She currently resides in Kosciusko.

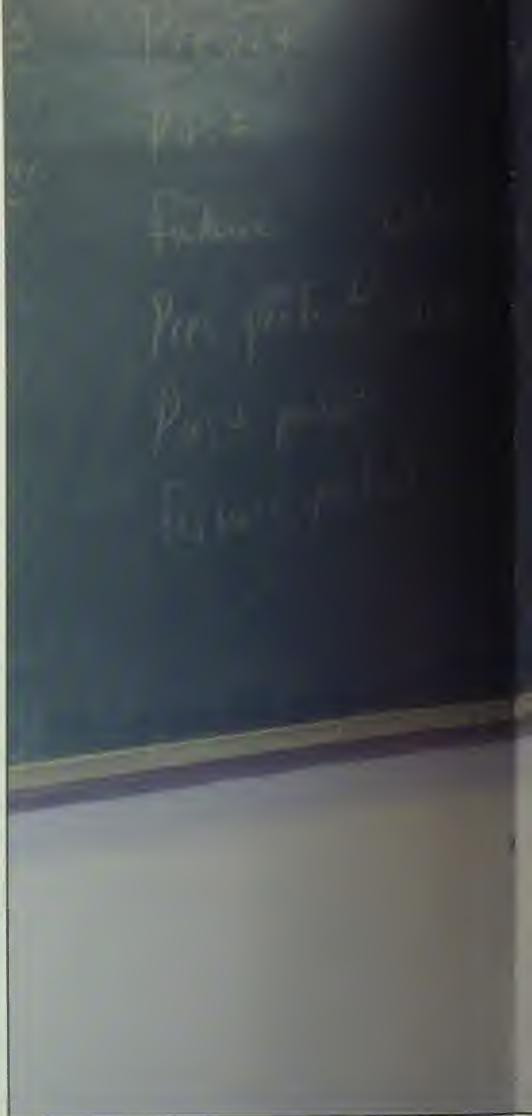

When asked why she chose teaching as her profession, she replied that teaching is not what she first had in mind. Mooney had planned to work for a publishing company until fate redirected her career. Thirty-five years ago she married Jerry Mooney from Carthage, and the two began a life

together in the HCC school district. When the opportunity arose to be a part of Holmes Community College, she quickly accepted.

Mooney's philosophy is that you must have a sense of humor and laugh at yourself in class. Her favorite part of English is literature, especially teaching Shakespeare's "The Tempest" and short stories.

Mooney's opinion is that Holmes is a great school. One can receive a good education in a small setting with academic freedom. Holmes is an ideal place to begin one's post-secondary education.

She enjoys the interaction with young people and states that she also learns something from them each day. Seeing her students become successful makes her feel good, knowing that she had a part in their reaching ultimate goals.

### *In Programs*

By Littrell Lane and

If you are planning a career in nursing, Holmes is the place to look. There is now a nursing program on all three campuses. Grenada has a LPN and ADN program, Ridgeland not only has a LPN program but they have also added an ADN program, and Goodman has recently added a LPN program.

The LPN program that was recently added to the Goodman campus accepted 36 students after making their final cut. The LPN instructors are Sheri Comfort and Christi Blair. Comfort is a graduate of Holmes. Blair is a graduate of the University of Mississippi, receiving both a bachelors and masters degree in nursing.

When applying for the LPN program, one must first go through a year of core curriculum. Upon finishing the first year, the prospective nurse then takes a year of nursing classes, certifying one to do the everyday tasks of a licensed LPN. After completing the LPN classes, students are then required to pass a state board exam. During

the 1999-2000 school year, the last time Blair and Comfort taught together, they had a 100% passage rate. After being licensed by the state, a person is allowed to begin practicing nursing under the supervision of a registered nurse, a doctor or even a dentist.

The ADN program is new to the Ridgeland campus. The ADN program is a two-year program designed to provide educational opportunities to qualified students for a career in nursing. The curriculum includes a balance of general education, nursing theory, and laboratory/clinical experience. Upon receiving an Associate of Applied Science degree (AAS), graduates are eligible to take the state boards.

An applicant must meet certain requirements before being accepted into the program. The applicant must have a 2.0 GPA, an 18 or higher on the ACT and must have a high school reading level or higher on the nursing aptitude test. The number of students admitted is based on the number of nursing faculty. After passing the state board, each graduate is allowed to practice nursing at the desired location of their choice.

### *In Facilities*

As the number of students increase at Holmes, the campuses have to make plans to accommodate all of the students. On the Goodman campus, Attala Hall and Grenada Hall were renovated to house the growing number of male students. Attala Hall now houses four males to a suite. "The reason this has been decided is to alleviate the problems that arise when you have eight people sharing one bathroom in each suite of Attala," says Director of Housing Terry Fancher. The building received a fresh coat of paint and new locks last year. In the future, a camera system and card access system may be installed.

This school year Grenada was renovated for male students with each student having a private room with community bath. Fancher says, "I think that the school wanted to use Grenada Hall in some way, and this offers an opportunity to renovate one of our historical buildings." When it came time to renovate, the floors in Grenada were the main focus. All of the old carpet was removed and replaced with subflooring and tile work. A new coat of paint was also applied to all of the rooms. This renovation has been a great change on campus.

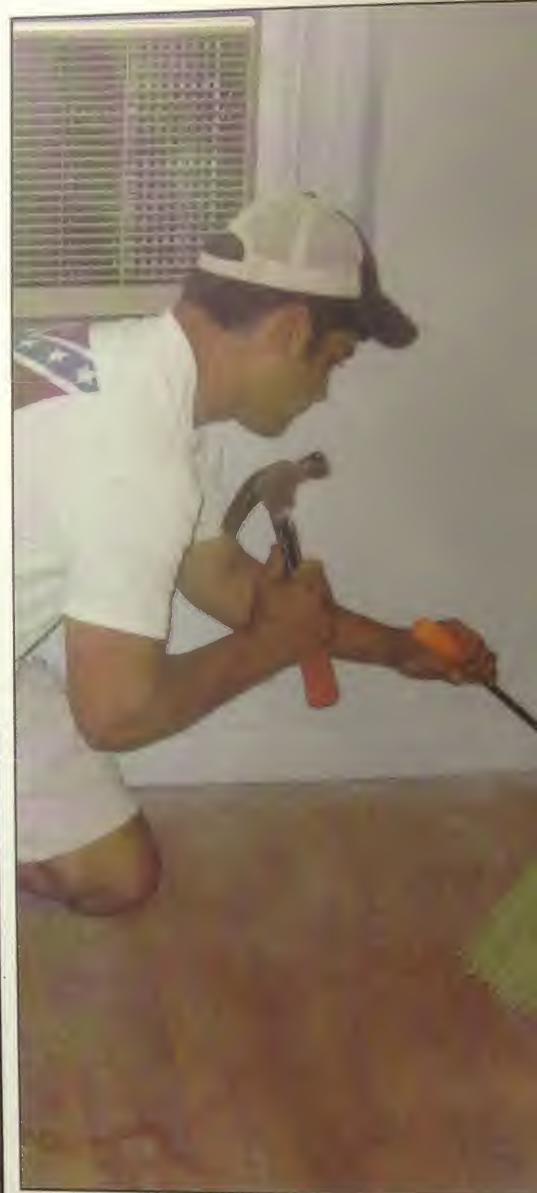

The Ridgeland campus is building a new advanced training facility. This facility will train students in manufacturing, business, healthcare and service industries. The new building is named after D.P. "Pat" McGowan, chairman of the Holmes Community College Board of Trustees. He has served for over thirty years on the board. "This facility will insure that the future training needs of the manufacturing and business communities in the south part of Holmes' district are met," states Dr. Glenn Boyce, Vice President for Community and workforce development. The workforce training facility is a major factor in many economic development opportunities. The construction of the building is already underway. A contractor out of Columbia, MS named Polk Construction is doing the work. The facility is 51,000 square feet with an estimated cost of between 8 and 8.5 million dollars. With the parking issue on campus, there will be 104 parking spaces at the building with an additional 180 new parking spaces. Dr. Boyce says, "For Holmes, this building represents the opportunity to deliver the mission of workforce training at its highest possible level and respond to its industry partners at the 'quality' level they have come to expect."

*"Our goals match the goals of this college in general. We want to create an atmosphere of competitiveness as well as learning, in hopes to prepare each athlete with the capability to move on toward the next level—whatever that may be."*

—Coach Shurden

Athletics have always been a part of the Holmes Community College atmosphere. The college prides itself in offering students with a broad array of athletic choices, each preparing and cultivating young athletes into responsible, confident adults. With the roar of one pep rally after another, the glitz of the Dazzlers!, and the booming sound of the marching band, it is easy to overlook the hard work and dedication that each athlete puts forth for her/his team. Alas, the athletic department's accomplishments speak louder of their supreme teamwork and loyalty to their sport than any plaque or trophy ever could.

No matter what sport, an athlete is given the chance to succeed. The athletic teams have always attempted to instill in its players: effort, self control, and sportsmanship. In the past years, the tennis team has indeed proved to be an irreplaceable element to Holmes athletics, with

Latoya Jones winning third in the state. Our golf team remains in the top thirty. Baseball, which recently acquired a renovated facility, has had past success in the regional tournaments. The football team won the state championship in the fall of 2002, while the basketball team won the state championship in the spring of 2002.

As one can see, Holmes Community College just would not be the same without the commitment and perseverance of its coaches, players, and athletic department. Not only do sports build lasting bonds between students, it also serves as a great training ground that produces outstanding citizens and leaders. These athletes learn far more than how to tackle someone or hit a ball; they learn how to take their gifts and use them in pursuit of the next level of education.

To say that the Holmes Athletic department has simply "made tracks" in the past would be a grave understatement. With past victories cornered well in our memory, and future successes just over the horizon, the athletic department at Holmes will continue to unite the campus in spirit and in fellowship.

### *In Administration*

**By Ashley Dees**

The years to come will surely be a breeze with the administrative staff here at Holmes Community College. With Director of Admissions and Records Dr. Lynn Wright, Assistant to the President Dr. Lindy McCain, and new Academic Dean Dr. Fran Cox, we are on the brink of a new chapter at Holmes. Growth is in the plans for these three women this year. Holmes has been growing steadily over the past ten years and has experienced a twenty percent increase in student population in the 2004-2005 school year alone. With approximately 4,800 students flooding the Holmes campuses, the administration wants to work harder and provide better services for both the students and the faculty at all locations. "Students come first," Dean Cox states when she explains her vision for a better Holmes. By students coming first, the Dean expects all the rules to be followed with no exceptions. She hopes that by exposing students to the rigors of time management and responsibility, that they will not become people who just do a job, but do it to the best of their ability. With the new

software program "Banner," teachers will soon be able to post grades online for students to see without the hassle of waiting for their grades via mail. Dr. Wright believes that it will be a positive change and that the students will support it when it is fully intact. "We are here for them," Dr. Wright explains calmly. Access to information will make the school run more smoothly and efficiently. Dr. McCain hopes that people will begin to see the bright side of the SACS program (Southern Association of Colleges and Schools). SACS is the accrediting agency for Holmes Community College. Without accreditation, there would be no federal funding. "If people thought of SACS as an aide for what they do instead of a hindrance, they would be happier in their careers and would feel good because they would be more productive," Dr. McCain explains in hopes of the message being understood. With such aesthetic women leading the way here at Holmes, it is no wonder new tracks are being made.

Friends, food and fun???

Yes, that's a part of the Goodman campus Student Government Association (SGA). Not only does SGA offer activities outside the classroom setting, but it also serves as a mediator to provide an open line of communication between the faculty, administration and students of Holmes Community College.

SGA plays a vital role in planning and overseeing student activities. This school year got off to a good start during "Welcome Week" where students enjoyed the following: an ice cream social, a water slide, a Bulldog scrimmage game with snow cones, and an afternoon cookout, followed by the back-to-school dance with D.J. Suzy's Sounds.

Activities such as Kampus For Christ devotions, movie nights, Mexican Fiesta, spades tournaments, "chips, dips and dominos," bingo, and Coffee House are offered two or three times per week, as well as randomly scheduled events during activity period. The biggest hits with students are Homecoming activities, Fall Fest, the annual Beauty Review and Spring Fling—with lots of crawfish!!

In addition, SGA also assists in intramural activities such as the Faculty vs. Student Volleyball and the Faculty vs. Student Softball games. What a great way for students to see their faculty members "in a different light!"

The next time you find yourself bored, just take a look at the student activity calendar—you'll find plenty to do. "Come on over" and help make tracks at HCC with SGA!

# DEDICATION

With thirty years of service to Holmes Community College, Wirt Hayes spent his first year of employment in 1975 as the Assistant Director of Financial Aid, becoming the director the following year, a position from which he will retire in May 2005. He was no stranger to Holmes, having been a student graduating with a certificate in business administration in 1968.

A native Mississippian, he was born in Meridian. Before coming to Holmes as a student, he was a graduate of Yazoo City High School. Following his graduation from Holmes, he attended Delta State University, graduating in 1970 with a bachelor of science degree in business administration and a minor in economics.

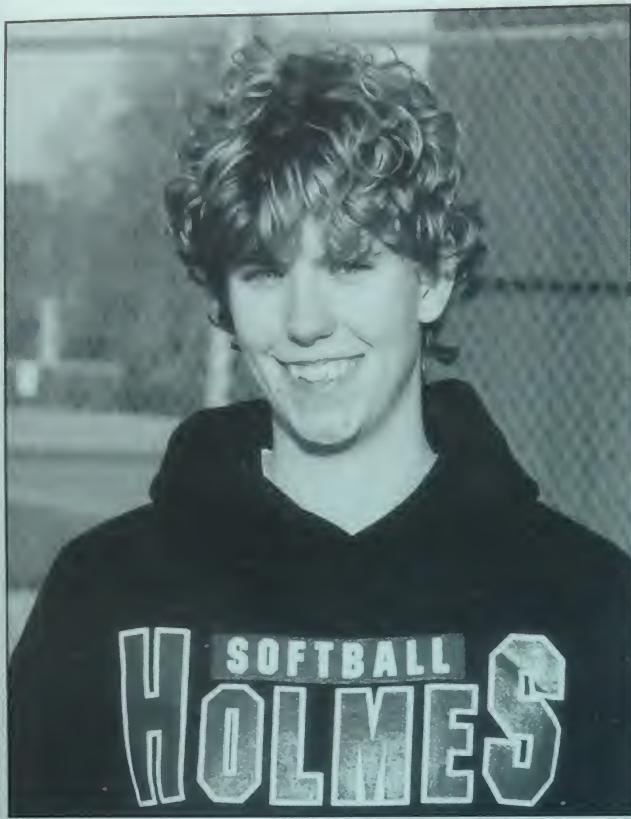

He was employed at the Mississippi Employment Security Commission in Lexington, where he became familiar with several new government programs plus many secondary functions and related work. This job, in addition to his business and economics degrees, made him an excellent choice for the position at Holmes.

Wirt and his wife, Lois, have four children, Brian, Natalie, Tiffany and Kevin and two grandchildren, Miller and Rachel. Brian and Kevin are also graduates of Holmes.

It is for his devotion and untiring service to this institution that the 76<sup>th</sup> edition of *Horizons* is dedicated to Wirt Hayes.

# IN MEMORY

by Phylis Stahl

**Carrie Lott**

Being a part of a team is being a part of a family, a group of people trying their hardest to reach a common goal. There is a bond of love and compassion, when one hurts the whole team feels the effects. 2004 was a time of loss on the Goodman Campus. A time when two teams pulled together with one mission, to play their hardest in memory of their lost teammates.

Jabari Crockett, a member of the Bulldog Baseball team and Carrie Lott, captain of the Lady Bulldog Softball team were tragically taken from us during the course of one semester. There is a lot to say about both Carrie and Jabari, but foremost they were both wonderful athletes with a true compassion for others and for God. Being given the chance to know them was definitely an honor.

As a red-shirted freshman, Jabari was looking forward to the new season were he was expected to be a vital part of the Bulldog lineup. He played outfield and was a right-handed pitcher.

On August 16 Jabari died from injuries sustained during a carjacking on the previous night in Jackson. Bulldog head coach, Kenny Dupont, said "This is a very unfortunate incident; the Bulldog team will miss Jabari."

A business major from Jackson, Jabari was a laid back guy who enjoyed just hanging out with friends. Jabari was easy to get along with both on and off the field. Brent Telano, a sophomore on the baseball team, said "Jabari

**Jabari Crockett**

was always there for you when you needed him. He was a good friend, a good player and was going to be a big help to us this spring."

Just four short months later Carrie Lott, an outfielder for the Lady Bulldogs, died on December 16, after her SUV collided with a log truck near her home town, Stewart.

Carrie lived every day to the fullest. She was a member of the BSU leadership team, captain of the Lady Bulldog Softball team and head lifeguard at Camp of the Rising Son. Carrie was a very outgoing and enthusiastic person whom all of her friends knew they could count on.

Majoring in elementary education, Carrie loved children and hoped to coach a softball team of her own one day. Softball wasn't just a sport to her, but a passion; her love of the game rubbed off on her teammates. Head coach, Terry Fancher, said, "Even after one year, Carrie was the most improved player. The season will be a hard one for the girls and they will truly miss her."

As a child our parents try to prepare us for all that life puts before us. However, the loss of a close friend is one thing for which we are never prepared. It's hard to understand why God takes away the ones we love, but it is so obvious why he puts them in our lives to begin with: to influence us for the better and to help make us into the people we are today.

# HOLMES SEES ENROLLMENT SOAR FOR THE 2004-05 SCHOOL YEAR

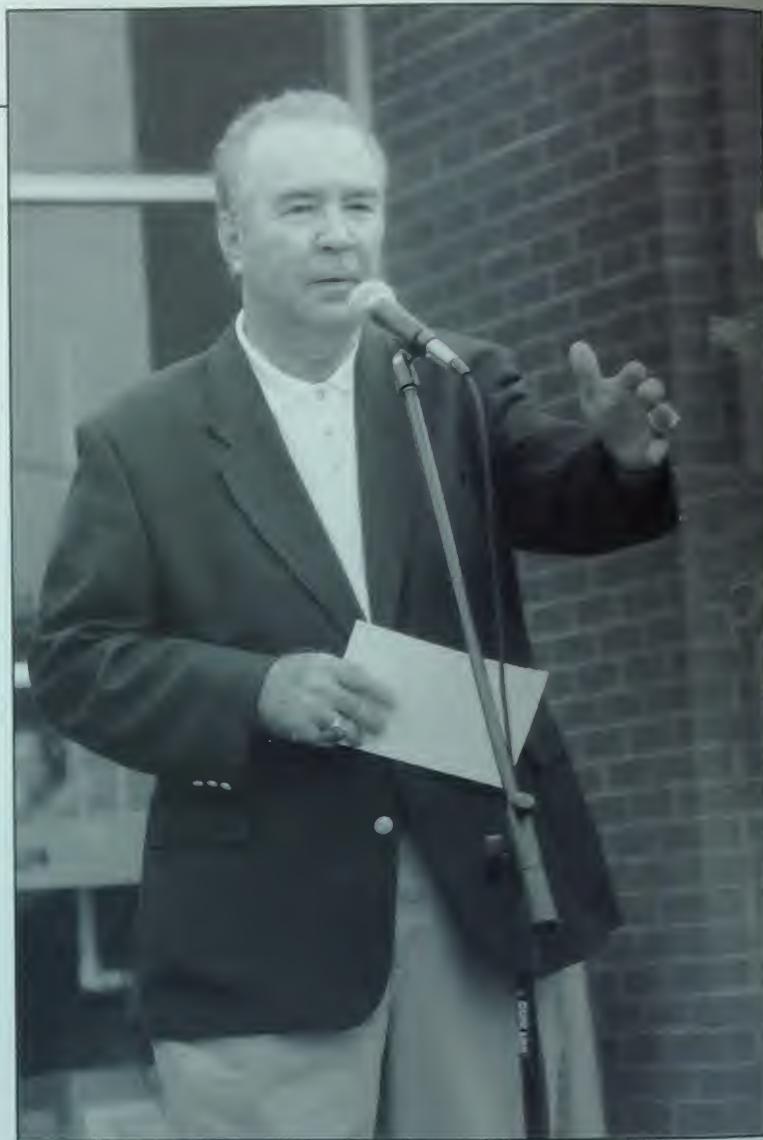

The 2004-2005 school year, the 16th under the leadership of Holmes Community College President Dr. Starkey Morgan, Sr., saw a dramatic increase in enrollment. The fall enrollment increased from 3,804 to 4,494, which is an increase of 18.13 percent, the largest among the state's community colleges.

When Dr. Morgan became president in 1989, Holmes had some 1,986 students on all campuses during the fall semester. Since that time, the numbers have been on the rise reaching the all-time high this year. Since 1989, Holmes has seen an increase of 126 percent or 2,508 students. The Ridgeland Campus led the way in enrollment with 2,025 students while the Goodman Campus, which includes Kosciusko, Yazoo City and Eupora, had 1,390 and Grenada had 1,079.

The availability of the Sumners Grant in five of Holmes' supporting counties, Choctaw, Webster, Montgomery, Carroll, and Attala, provided financial support for students in these counties to attend Holmes. Distance Learning continues to become more popular among Holmes' students, some of whom now use the traditional setting as well as distance education to achieve academic success.

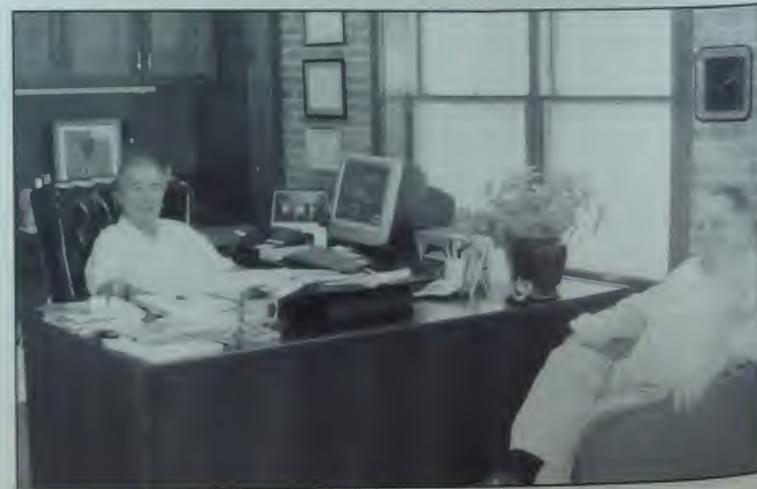

During the 2003-04 school year, the decision was reached to offer practical nursing classes on the Goodman Campus and associate degree nursing classes on the Ridgeland Campus. These programs were initiated during the 2004-05 school year. With a shortage of nurses now across the nation, the nursing program should continue to grow.

Holmes Community College has continued to see growth in its facilities. Construction has begun on the 50,000 square foot \$8.5 million Pat McGowan Workforce Training Center on the Ridgeland Campus. This facility will ensure that updated training is available to the southern part of the district. The addition of this complex is a major event in the history of this college. Student activities on the Goodman and Ridgeland Campuses and at the Grenada Center remained strong during this school year as did our student clubs and organizations.

## A WONDERLAND OF ART

by Imana Azeez, Littrell Lane, and Stephanie Lacey

While driving around the Goodman Campus at Holmes Community College, you may happen upon a brick building bearing multiple painted flags blowing in the breeze which reveal windows of assorted colors. No, this isn't another version of Alice in Wonderland splashed with paint, it is the art building where artists of all kinds gather.

For many people one of the memories of their childhood is drawing, whether it is on paper or a wall. Here at the art building of Holmes they can bring back those fond memories. Whether the objective is to learn a new form of art or improve the ones you already know, there's something for everyone. The art building houses

studios for painting, drawing, and sculpting. There is also a gallery where students place some of their best works. Every semester the art department invites established artists to exhibit their work in McMorrough Library where students can get a chance to learn from other artists.

"Since the death of the art teacher, William Watkins III, it has been hard emotionally more than anything," says art instructor, Jay Cheatham. "The increase in the amount of work has acted as a therapy for me. I sometimes still feel like Mr. Bill is spiritually with us, and that's comforting," explains Cheatham. Over the past several years, Mr. Bill was a huge factor in the advancement of the art department, as well as a number of campus activities; he is missed by all.

The art department has felt increases in enrollment, including new and returning talent. The art department also added a new teacher for the spring semester, Jerry Harris. In addition to teaching art, Harris has worked briefly at the Pentagon, as well as on set designs for the movies, "My Dog Skip" and "Teenage Mutant Ninja Turtles". This experienced artist from Duckhill offers the following classes: painting, art for elementary teachers, ceramics, and design.

Step into the department and immediately you will be engulfed with the many types of painting, pottery and sketches hanging in the gallery, displaying the uniqueness of each student. With so much to see and do, the art department seems to be the right way to open up the inner artist in you.

## RIDGELAND EMT PROGRAM

by Liz Oredein

Holmes Community College offers EMT basic training at the Grenada Center and Ridgeland Campus, while Paramedics is only offered on the Ridgeland Campus. Blaine Riddleman is the instructor on the Ridgeland campus. He has been with the program since the Fall of 2001. The Mississippi State Board of Health and Mississippi Legislature set the admissions requirements for the programs as follows: For the EMT Basic a person must be a high school graduate or hold a GED, have a 16 on the ACT or a 10 on the TABE Reading test, a recent physical examination, a TB Test within the last year, must have at least the first Hepatitis B vaccination prior to beginning clinicals, and a Current Healthcare Provider CPR certification. For the EMT-Paramedic, a student must have all the requirements for the EMT-Basic, be a state certified EMT-Basic, and have completed Human A & P.

Last year there was a lot of discussion about the number

---

of hours one needed to become a paramedic. While there is no national minimum, Holmes' curriculum is a National Standard Curriculum which was created by the US Department of Transportation. "Here at Holmes, we have been able to create a paramedic program that is 1500 hours and completed in 3 semesters. During the fourth semester, the student will complete his or her academics and receive an AAS degree," says Blaine Riddleman. There are only six Paramedic programs in the state, and Holmes is the only school to offer an evening Paramedic program. Many people are not aware but a paramedic is required on almost every ambulance in the state. There is a great demand for the specialized care a Paramedic can provide which will continue to drive the need for these highly trained people. Holmes has a very diverse group of students. Many students come from fire departments. Economists, lawyers, nurses, senior citizens, and many other groups enter the EMT program. Riddleman explains, "The US Department of Transportation recently completed a study in Mississippi to evaluate the pre-hospital care system and determined there is

not likely a shortage of EMTs in Mississippi, but there is more of a misdistribution issue. There will always be jobs for EMT and Paramedics in Mississippi and the United States." The EMTs and Paramedics are such a valuable resource that every community demands they be available all the time. The EMT and Paramedics work closely with physicians and health teams to ensure the patient receives the most appropriate care possible.

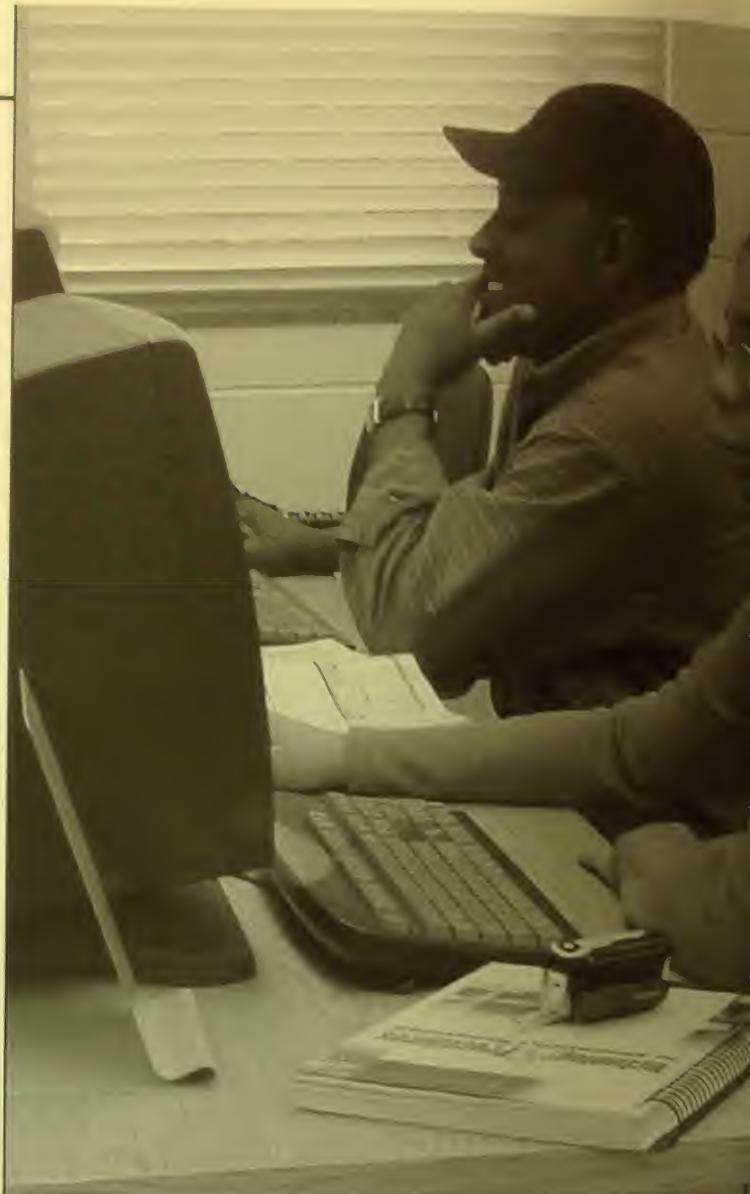

The beginning pay for the EMT will depend on the area one is employed. In the central part of the state, EMTs are starting with as much as \$10.50 per hour. Paramedics may receive a starting pay of around \$13.00 per hour, and there is usually a fast increase in salary. Paramedics usually receive a "signing bonus" and other additional benefits. The pay is very dependent upon the employer.

The programs for EMT training at Holmes are a great resource for today's high-paying jobs. Great instructors and a superb learning environment make Holmes Community College the place to go for EMT training.

## BUSINESS AND OFFICE TECHNOLOGY

by Ginny Land and Dawn Eaton

The Business and Office and Related Technology program is designed to prepare students for a variety of entry-level positions. Students choose classes to accumulate 67 to 69 semester credit hours leading to an Associate of Applied Science degree which includes: Accounting Technology, Medical Office Technology, and Office Systems Technology. These programs of study are designed to be complete within two years. There are required courses in the vocational-technical core, designated areas of concentration, and the academic core. Successful completion of the first year entitles a student to receive an Office Assistant Certificate.

With this Associate degree, there are many different career opportunities. These careers include: Administrative Assistant, Medical Office Assistant, Medical Transcriptionist, Receptionist, and Medical Insurance Coder. Salaries range from \$16,800 to \$26,022. Students can enter the BOT program at several universities for a bachelor's degree. The universities in Mississippi included are the following: Delta State University, Mississippi State University, and University of Southern Mississippi.

Phi Beta Lambda is a club where business students obtain the knowledge that will set them apart from other business students. A few goals of PBL are to develop competent, aggressive business

leadership, to create more interest in and to understand the American business enterprise, develop character, prepare for useful citizenship, and foster patriotism. PBL members organize local community service projects, attend state and national leadership conferences, and succeed in fund raising. Members also participate in raising money for March of Dimes. Jenny Jones, a sponsor of PBL, proudly stated, "PBL raised over five hundred dollars for March of Dimes." Other sponsors are Mary Cade and Keri Cole.

The Business and Office and Related Technology program at Holmes is guaranteed to help students excel in the field. The knowledge this program provides is the key to a bright future in our fast-paced and growing business society.

## BIG OPPORTUNITIES FOR WELDERS

by Lee Lee Powell

After nearly six years of retirement, Jimmy Horne has returned to his job as welding instructor at Holmes. He has worked in numerous places and held many different jobs, but they all have one thing in common-welding. A graduate of Holmes Junior College with a welding degree, he then attended Mississippi State University, receiving a masters equivalent in trade and technical studies. He was employed with Hinds Community College and the Yazoo City School District before returning to his alma mater to teach, retiring in 1998.

Upon returning this year, Horne said that there were not any really big changes made in the department over the years.

Left: Mary Tims shows her skills daily as one of few female welders.

"We have a new director, Sherrie Cheek, replacing retired director, Dwight Myrick," said Horne when asked about the changes. Welding is a one-year technical program, with classes five days per week from 8 a.m. until 3 p.m. Monday through Thursday and 8 a.m. until noon on Friday. The class began this school year with around twenty-four students, but has dropped to seventeen. After completing the program, there are various jobs for which one is qualified: GTAW (gas tungsten and arc welding), wire welding, and flux cored welding, to name a few. "GTAW is said to be the highest paying field," stated Horne. "In GTAW the women are usually better welders." Students from his past welding classes are now employed with such companies as Mississippi Valley Gas, Tailormade,

Nissan, Hunter Engineering, and Engles Ship Yard. Wages range from about \$9 per hour to about \$20, and the average hourly wage is about \$12.50.

Welding requires no physical labor but can be hazardous. The UV and infrared rays may cause severe burns and the machinery is very large and heavy. For this reason, welders must wear safety goggles, ear plugs, gloves, flame-retardant jackets and steel-toed boots.

Of all the places Horne has been and worked, he still thinks very highly of our shop here at Holmes. He stated, "Holmes has one of the better welding school shops in the state, the most up-to-date machinery, and portable equipment. I would definitely recommend coming to Holmes for a welding degree."

# LAMPLIGHTERS

Believing that "faculty are critically important in the building of a community of learning," in the spring of 1990, the Mississippi Community/Junior College Academic Dean's Association and Hinds Community College assumed the leadership role in what has become the Lamplighter Project. The three major objectives of the Lamplighter Project are: to recognize and reward effective teaching in the Mississippi community and junior colleges, to give effective instructors an opportunity to share with one another those teaching techniques that promote learning, to give classroom instructors exposure to classroom research. The 2004 Lamplighter Conference, sponsored by East Mississippi Community College, was held October 27-29, at the Wingate Inn in Columbus. Each representative of the institutions selected for this honor is recommended by his or her respective academic dean and in turn the president. Holmes faculty members chosen to represent the college at the conference are Janet Halteman and Maria Edwards, Goodman Campus; Christy Morgan and Heather Nix, Ridgeland Campus; Sarah Rounsville and Joan Tierce, Harris has been a computer science instructor on the Goodman Campus for 19 years. A graduate of Crystal Springs High School, he received a bachelor's degree in computer science from Mississippi State University and a master's degree in community college education from the same institution. Currently he is pursuing a doctorate degree in community college leadership at MSU.

The Holmes instructor has been a member of various professional organizations, among which are the Mississippi

Community and Junior College Faculty Association, Holmes Community College Education Association (past president and secretary), a former advisor for the Kappa Alpha Chapter of Phi Theta Kappa International Honor Society, and a former member of the Association for Computing Machinery.

While at Holmes, some of his awards include Mid-South Community College Fellowship Program (2004), NISOD Excellence Award (1996), Lamplighter Award (1995), and Phi Theta Kappa Advisor Appreciation Award (1991, 1996). He has also been a Miss Mississippi preliminary judge and a member of the Mississippi Local Directors

# ~~HEADWAE~~

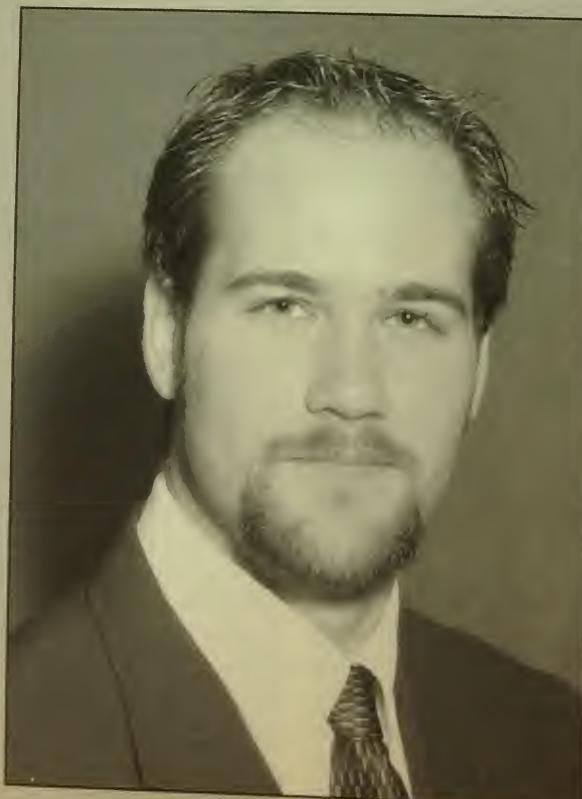

Higher Education Appreciation Day Working for Academic Excellence, or HEADWAE, recognizes outstanding faculty members and students from each of the state's colleges. The program was begun in 1988 by Cecil Simmons, a Mississippi state representative. Those selected are invited in the spring to the state Capitol to spend the day. In addition to attending a luncheon in their honor they are presented to the Senate and the House of Representatives.

This year's faculty representative is Robert Harris, science and mathematics department chair and computer science instructor on Holmes' Goodman Campus; while the student representative is Goodman Campus sophomore, Eric Burden, a pre-medicine major. Recipients of the two honors are selected by a committee appointed by president of Holmes Community College, Dr. Starkey A. Morgan Sr. The instructor's selection is on merit; the student's criteria includes selection based on grade point average and difficulty of courses taken while a student at Holmes Community College. Harris has been a computer science instructor on the Goodman Campus for 19 years. A graduate of Crystal Springs High School, he received a bachelor's degree in computer science from Mississippi State University and a master's degree in community college education from the same institution. Currently he is pursuing a doctorate degree in community college leadership at MSU.

## 2004 ALL-ACADEMIC TEAM

Six students from Holmes Community College were selected to represent the college as members of the 2004 Mississippi All-State Academic Team. This was coordinated by Phi Theta Kappa International Honor Society, the Mississippi Association of Community and Junior Colleges, the State Board for Community and Junior Collages and the Clarion Ledger. Each Chapter in the state chooses two of its members to represent them on the All-State Academic Team. The selection is based on the students' scholastic achievements, community involvement, leadership, and college service activities.

## BOGGAN DELIVERS COMMENCEMENT ADDRESS AT 2004 GRADUATION

Longtime Holmes Community College instructor and administrator Luther Boggan encouraged the 2004 graduating class at Holmes Community College to do their part in seeing that bridges are built in today's society instead of walls.

He illustrated his point with a story about two brothers who were feuding. The older brother, John, hired a carpenter to build a fence so he wouldn't have to see his younger brother's farm across the way. When he returned from town, the carpenter had built a bridge to his brother's house instead of the fence he was told to build.

"As you leave this place, I hope you will be bridge builders, rather than fence builders," Boggan said. He said students should build a bridge of understanding as well as a bridge of compassion.

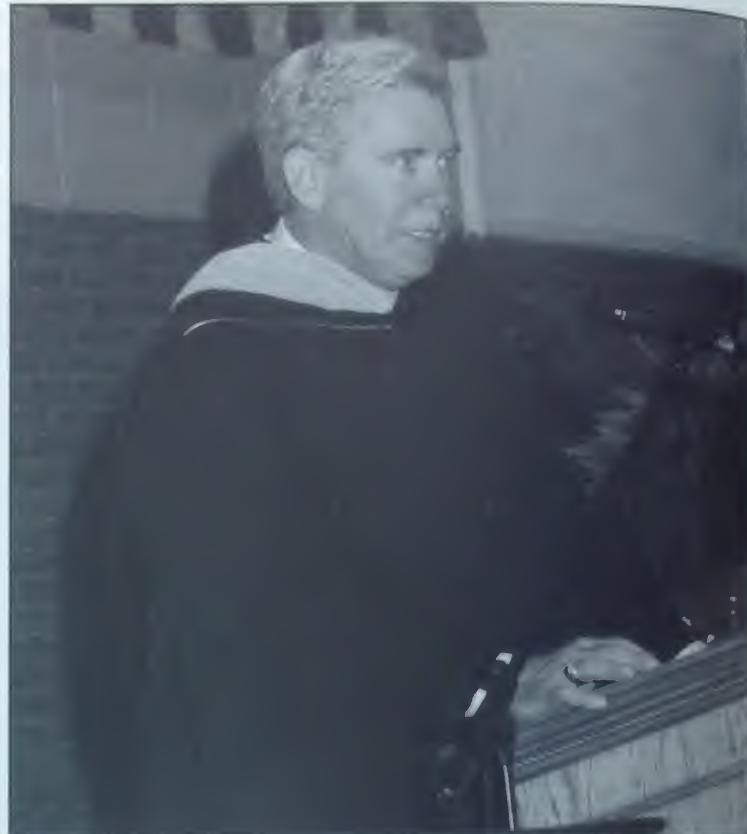

Boggan said we must first understand ourselves, which is the first plank in the bridge of understanding, before we can

begin to understand other people in the world, which is the second plank.

"America, the melting pot of the world, is a wonderful place because it possesses a goal of unity, yet we are so diverse with different cultures, races, nationalities and religions," Boggan said. "It is not just commendable but it is absolutely essential that you, as well as all of us, understand and accept people for who they are, because the future will be much more culturally diverse than our past has ever been.

"For America to be truly successful, a job must be filled by the best person for that job, not based upon the color of a person's skin. A pay raise must be based on hard work and dependability, not on the religion one holds to. And a promotion must be gained by competence and faithfulness to a company, not on the physical attraction of an individual. With thoughtfulness and soul-searching build the bridge of understanding."

(continued on pg. 47)

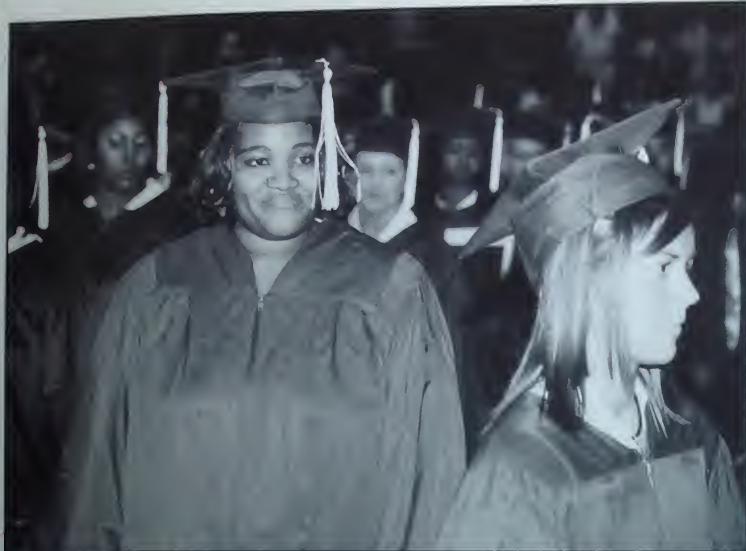

Above: Luther Boggan, former Academic Dean, served as the commencement speaker during graduation.

Above: The graduates line up to receive their diplomas.

Above: Friends share the excitement of graduation day.

Above: Graduates leave Frank B. Branch Coliseum after receiving their diplomas.

Being college graduates, Boggan said this class is an "elite" group because they are among the top 20 percent in the Mississippi with an educational level of two or more years of college.

"You are our leaders for the future," Boggan said. "You will probably make more money than the average Mississippian, and you will probably have a better lifestyle as well."

In Boggan's bridge of compassion, the only plank is the willingness to share with those less fortunate than you.

"Look around you...we see them every day...the sick, poor, the down trodden," Boggan said. "And sometimes money is not the answer..your valuable time may be a treasure to an individual in need."

He illustrated this point with the story of the wealthy, young executive whose car was hit by a flying brick. He jumped out of his car in anger but found a little boy begging for his help because his brother had fallen out of his wheelchair. "He rolled off the curb and fell out of his wheelchair, and I can't lift him up," the little boy told the executive. "Would you please help me get him back into his wheelchair, sir? He's hurt and he's too heavy for me."

The man helped the boy into his wheelchair and, at the same time, never fixed the dent in his car. "Graduates, life is too short to think of only yourself," Boggan said. "Build that bridge

of compassion, build it with hands of gentleness and with care but build it strong."

Before he closed, he advised the graduates to build the bridges of understanding and compassion, but he also advised them to begin tearing walls down — walls of hatred and injustice — so that the bridge of peace will be constructed.

Ulven served as vice president for scholarship for PTK, member of the Holmes Hall of Fame, member of the Honors Forum, HEADWAE Student 2003-2004 and received a scholarship to the University of Alabama.

Above: Dr. Morgan congratulates the recipient of the M.C. McDaniel Scholarship, Rachel Perry.

"Graduates, I admonish you, do not leave this task to your children," Boggan said. "It is the responsibility of your generation to eliminate hatred and injustice. The walls of hatred and injustice can destroy our world. From you, leaders must emerge to demolish these walls and start construction on the bridge of peace."

# HOLME-TOWNE PLAYERS

by Lindsey Netherland

Holme-Towne Players, the Holmes Community College drama club, is a theatre-based organization on the Goodman campus. This year, one of the features was a theatrical comedy by Jack Frankes. "Once Upon a Playground" is a powerful script that teaches us that everyone is different, and that it is those differences that make each of us special. It portrays this lesson through the story of a group of girls on a playground that make fun of a new girl because she is different. She has a funny nose, and is not treated kindly by the other students just because of her physical appearance.

We find out as the play goes on that all of the girls are hiding something that makes them different from the others. In the end, a boy with a funny nose meets the girl with a funny nose, and they

live happily ever after. The cast included the following students: Angel Cook, Latasha Woods, Tasha Holly, Kathryne Marks, Beth Travers, Curtissa Dixon, Sterling Brown, Brady Smart, Brittany Roberts, Sara Henehan, Jeremy Pickle, and Tiffany Lloyd as stage manager.

When the cast was asked if they enjoyed performing the play, Sara Henehan replied, "I really enjoyed performing, there was never a dull moment." Tasha Holly said, "We all worked very hard,

“We all worked very hard, but it was enjoyable because Mr. Schroeder always kept us laughing.”

it was enjoyable because Mr. Schroeder always kept us laughing." Next year Schroeder plans to broaden the Holme-Towne Players' horizons by performing at more plays geared toward curriculums dealing with high school students.

# CLUB MEMBERS BROADEN HORIZONS

by Cortney Robertson and Phylis Stahl

During various school holidays, some HCC club members took the opportunity to broaden their horizons. Honors Forum sponsor and music instructor, Janet Simpson, chaperoned six students to the New York City prior to the fall semester. As a HCC Baptist Student Union representative, sophomore Misty Boyette traveled to China during Christmas break. Holmes is proud to have had these students serve in its image.

Ashely Brown, Ashley Byars, Jamie Shoemaker, NYC's NBC Rainbow Room was visited by Holmes students. Jesse Golden, Thomas Haffey, and Nick White enjoyed their trip to the Big Apple. These Honors Forum students brought their peers interesting knowledge of New York culture. After much fund raising, the travelers were able to experience three Broadway shows, the Empire State Building, the Statue of Liberty, Ground Zero, Times Square and much more.

NYC's NBC Rainbow Room was visited by Holmes students.

On December 17, 2004, Misty Boyett left for China. Instead of doing the traditional Christmas things such as opening presents, eating and spending time with family, she chose to spread the word of God to those unable to openly worship Christ.

While in China Misty spent her first three days touring Hong Kong with eight other Mississippi college students. After exploring, she went to a smaller city in the mountains where the group of students witnessed to students who were very eager to learn of God's love.

While in the mountains they were able to visit a Leper colony and experience Chinese people that had a true faith for the Lord. "The trip to China was the most humbling experience of my life," explains Misty.

All traveling Holmes students were grateful to have such grand opportunities; these trips proved to be educational and fun for all.

"The trip to China was the most humbling experience of my life," explains Misty Boyett.

"New York City was amazing; I was proud to represent Holmes," Nick White says.

# NEW CLUB SPONSORS

At the beginning of the school year, Holmes Community College had fourteen new club sponsors to join the staff. Among those with new positions, the following had transferred from different departments: Sheri Comfort: Goodman LPN, Steve Diffey: Growl; Andy Kelly: Ridgeland Creative Arts and PTK, Merilyn Long: Ridgeland ADN, and Pam McCullum: Ridgeland ADN. Jimmy Horne returned from retirement to the Goodman Campus as a VICA sponsor. Club sponsors new to the Holmes staff are some of the following outstanding individuals.

**Michelle Burney** has her master's in guidance and counseling, and vocational counseling, and she holds a bachelor's degree in elementary education from Millsaps College. She joins the Grenada Center as the SGA sponsor. She will also travel to area schools to recruit students.

**Melissa Love** joins the Goodman Campus as the Horizons yearbook sponsor. She holds a bachelor of fine arts in graphic design from Delta State University. Melissa is a former student of Holmes, where she majored in art and played soccer.

As the assistant band director, **Jeffrey Brown** joins the Goodman Campus. Brown holds an associate of art degree in music from Jones County Junior College and both a bachelor's and master's degree in music education from the University of Mississippi. He is welcomed as the Steel Band and Drum Line director.

**Cindi Eads**, formerly an instructor at Mississippi College School of Nursing, assumes the same position on the Ridgeland Campus of Holmes. She holds a bachelor of science degree in nursing from the University of Mississippi and a master's degree from Delta State University. She is also actively involved with her church missions, serving on the Hospital Ministry.

**J. R. Hall**, a former pastor of Goodman First United Methodist Church and part-time instructor on the Goodman and Ridgeland campuses, returns to the Ridgeland Campus full time this year to teach

history and Bible. Hall received a Bachelor of Arts degree from Oral Roberts University, and a Master of Divinity degree from Oral Roberts University School of Theology. He has also attended Mississippi College and Mississippi State University.

**Eureka Samuel** joins the staff for the Ridgeland Campus nursing program as a practical nursing instructor. She received her Bachelor of Science degree in nursing from the University of Mississippi Medical Center and is currently pursuing a master's degree in nursing education at Alcorn State University. She has been inducted into Sigma Theta Tau International Nursing Honor Society at Alcorn.

A 1998 graduate of the Grenada Center ADN program, **Mary Tan** returns to her alma mater as an instructor for the new ADN program on the Ridgeland Campus. She comes to Holmes from Mississippi College. In addition to her Holmes degree, Tan holds a bachelor's and master's degree from the University of Mississippi Medical Center and is currently a doctoral candidate at the same institution.

Practical nursing instructor for the newly reinstated LPN program on the Goodman Campus, **Christi Blair**, was formerly Regional Nurse Consultant for Community Eldercare Services. She is a graduate of the University of Mississippi, receiving both a bachelor's and master's degree in nursing.

English instructor and co-advisor for Kappa Alpha Chapter of Phi Theta Kappa International Honor Society, **Billy Wilson**, comes to the Goodman Campus from Phi Theta Kappa International Headquarters in Jackson where he was the Director of Honors Programs. He has also taught English on the Ridgeland Campus during the summer for a number of years. Wilson holds a bachelor's degree from Lambuth University and a master's degree in English from the University of Memphis. He also has post master's work from Mississippi College.

## Team wins two of last three games

The Holmes Community College Bulldog football team ended the 2004 campaign by winning two of their last three games to finish the season at 2-7 overall and 2-4 in the North Division.

The Bulldogs defeated East Mississippi, 42-14, in Scooba and Coahoma, 23-20, in Clarksdale and lost to Mississippi Delta, 23-21, on Homecoming in Goodman.

Holmes opened the 2004 campaign in Goodman versus Copiah-Lincoln. The Bulldogs fell 28-10 in the opener. They then traveled to Ellisville the next Saturday to play Jones County Junior College and lost, 19-6. The Bulldogs then traveled to Perkinston the next Sunday to play Mississippi Gulf Coast Community College. The Bulldogs fell in the hard-fought contest, 41-30. The game was moved to Sunday because of Hurricane Ivan.

The Bulldogs opened North Division play the next Saturday in Goodman against Northeast Mississippi Community College and fell 31-3. In Senatobia the next Thursday, the Bulldogs fell to Northwest, 35-6. The Bulldogs then fell to Itawamba the next Thursday, 20-12, before rounding out the season with East Mississippi, Mississippi Delta and Coahoma.

Sophomore running back Kalvin Smith of Canton led the Bulldogs in rushing during the year with 476 yards on 90 carries and one touchdown. Freshman fullback Eric Hoskins finished the year with 212 yards on 53 carries. Sophomore

quarterback-turned-running back Carrio Rudolph finished the year with two rushing touchdowns and 158 yards on 57 carries. Freshmen running backs, Percy Wair and Phelan Gray, each had two touchdowns. Wair had 55 yards on 17 carries while Gray had 53 yards on 12 carries. Sophomore running back Jeremy Kitchens also had a touchdown.

Sophomore Jontarius Brown started the last three games at quarterback and had 580 yards on 27-of-63 passing and six touchdowns. Rudolph finished with 278 yards on 23-of-44 passing and four touchdowns. Sophomore receiver Eric Marshall led the Bulldogs in receiving with 24 receptions for 446 yards and six touchdowns.

Defensively, sophomore linebacker Jason Anthony led the Bulldogs and the MACJC in tackles with 115. He had 84 solos and 31 assists. Sophomore linebacker Demoris Hardiman had 79 tackles including 42 solos and 37 assists while sophomore safety Calvin Sojourney had 71 tackles including 46 solos and 25 assists.

Sophomore defensive end Jacob Ford led the Bulldogs in sacks with 5 1/2 while Sojourney led the Bulldogs in interceptions with three.

Seventeen players garnered postseason awards. They included Anthony, Brown, Bobby Colvin, Chris Davis, Ford, Matt Garren, Hardiman, James Loggins, Corlando McChristian, Marshall, Wesley Richardson, Marquis Rogers, Smith,

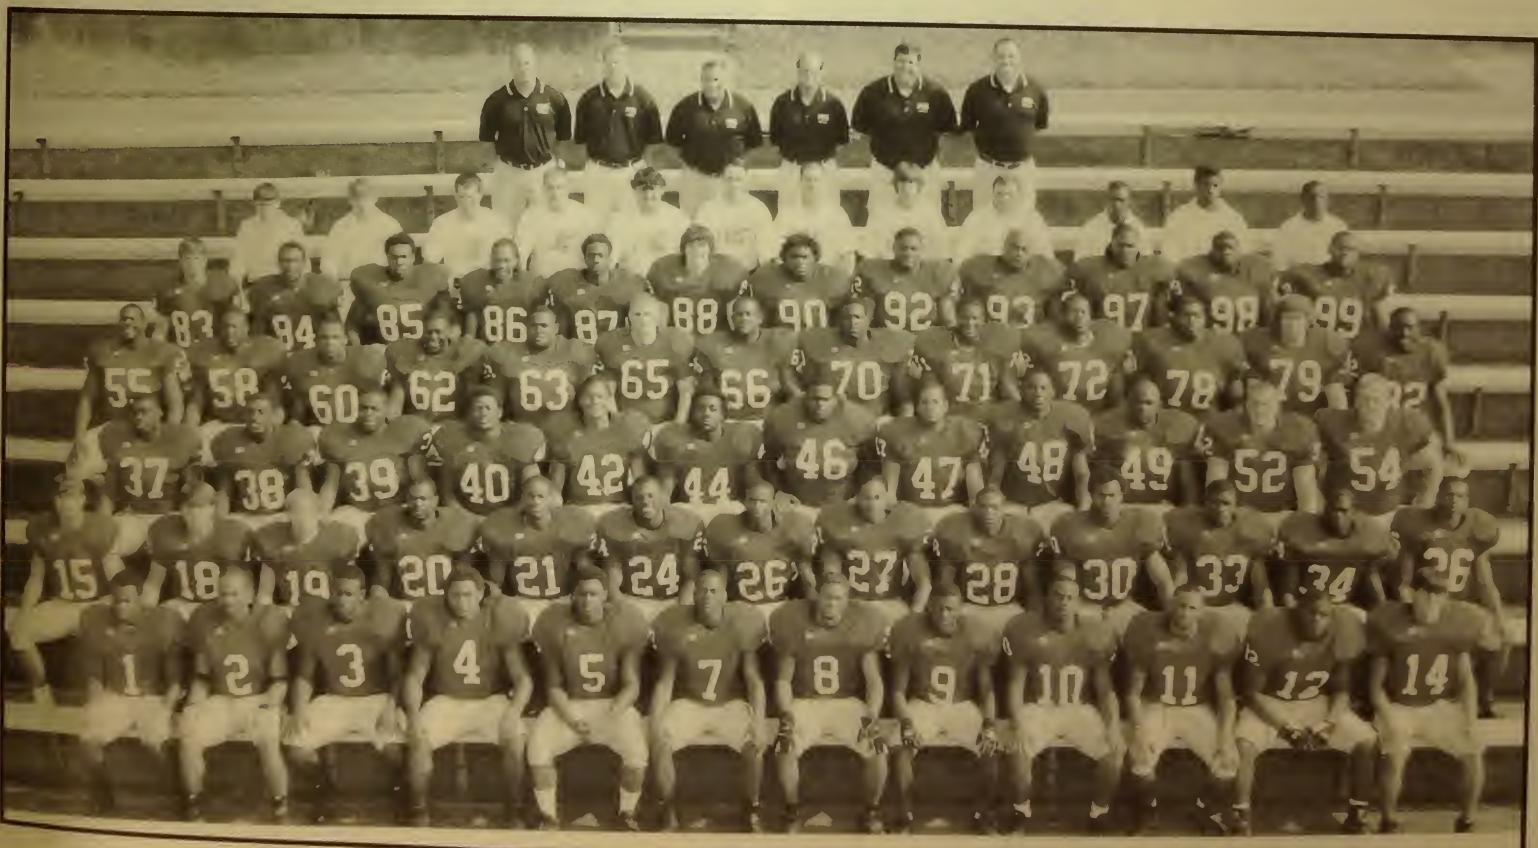

Sojourney, Tony Stallworth, Chad Tedder and Walter Warfield.

Richardson was the only Bulldog to receive First-Team All-State honors. He was named to the team at offensive lineman. He also received the Outstanding Offensive Lineman Award from the Holmes coaching staff.

Davis, Anthony, Garren and Marshall received Second-Team All-State honors. Their respective positions were defensive line, linebacker, punter and receiver. Davis received the team's Mr. Husile Award, while Anthony was the team's Most Valuable Defensive Player and a MACJC All-Star. Garren was the team's Most Valuable Special Teams Player and Marshall was the Most Valuable Offensive Player.

Stallworth, Tedder, Loggins, Brown, Smith, Warfield, Rogers, Colvin, Ford, Sojourney, Hardiman and McChristian were all Honorable Mention All-State. Tedder, Colvin, Rogers and McChristian also played in the All-Star game.

Brown received the team's Most Improved Offensive Player; Smith was the team's Most Valuable Offensive Back; Colvin was the team's Most Improved Defensive Player; Ford was the team's Outstanding Defensive Lineman; Sojourney was the team's Outstanding Defensive Back; and McChristian received the Ras Branch Award. Ben Henson received the team's Academic Achievement Award.

# Bulldog Cheerleaders keep spirits high

Pictured (above left) is the 2004-05 cheerleading squad. Jessica Rayford (above right) cheers on the bulldogs at a basketball game.

Second-year cheerleader sponsor Cindy Baughn returns one on this year's squad, but the newcomers are certainly not new to the sport. Three of the female squad members have been garnering cheerleader awards since junior high and should also win awards at the junior college and university level.

Ackerman High School's Kelly Jones is described by Baughn as "a happy person all the time. She never gets tired or is afraid to try something new. She would practice all day long if I would let her." Jones was a member of the 2000 state cheerleader championship squad and a chant champion squad member.

She was a three-time All-American cheerleader and won best all-around cheerleader her senior year. She was also her ninth grade squad captain.

Holmes cheerleader captain this season is Heather Oakes from Grenada High School. Oakes was a most valuable cheerleader finalist and a UCA All-Star her senior year. She had the best toe-touch her junior year, won most improved her sophomore year and was her ninth grade captain and a UCA All-Star. "I had a hard time trying to decide who the captain would be this year, but Heather shows great leadership ability," said Baughn.

Jessica Rayford, an NCA All-American her

ninth grade year and voted most improved last season, also comes from Kosciusko. "She may be my smallest cheerleader but do not let her size fool you, she is full of energy also and a great asset to the squad," says Baughn.

Others female members were Barbie Corbett of Vicksburg, Tara Williams of Scobey and Rafinee Jones of Bay Springs.

Chris Wilkerson of Kosciusko High School is the only returner to the squad. Three Benton Academy males join this year's squad --- Blake Coleman, Hays Odum and Curt Middleton. Coleman is the male captain. Gregory Tuck of Ackerman was also a male member of the squad.

Erica Roby of Kosciusko is a manager.

# Bulldog Soccer finishes 9-4-1

Playoffs hopes dashed in last game of the season

Whether or not the Holmes Community College Bulldog soccer team made the MACJC state playoffs came down to the final game of the season.

The Bulldogs fought extremely hard in the contest but lost in the overtime to their self-proclaimed rivals the Itawamba Community College Indians.

Bulldog Head Coach Matt Convertino coached the Indians and Lady Indians prior to coming to Holmes so this made his team battle with Itawamba all season.

The Holmes team finished the season with a 9-4-1 record overall and 6-3-1 in the MACJC North Division. Because they tied Itawamba in an earlier game and lost in the second game, the Indians were able to pick up the second spot in the North playoffs on a tie breaker because of head-to-head results.

During the season, the Bulldogs defeated several teams in both matches they played. These teams and their scores were: Copiah-Lincoln, 3-0 and 4-1; Northwest, 3-0 and 2-1; East Mississippi, 5-1 twice; and Mississippi Delta, 2-0 and 3-2.

Hinds, who plays in the South Division, took two matches from Holmes, 4-0, both times. The Bulldogs fell to East Central, 2-1 and defeated Jones, 2-0.

Sophomores Jacob Newton and Robert Gardner both made MACJC All-State after the season.

Other players receiving team awards after the season included: Casey Sanford, team Most Valuable Player; Gardner, Golden Boot Award; Matt Carter, Playmaker Award; Ronnie Coffey, Sportsmanship Award; and Chris Dombrowski, Most Improved Player Award.

# Injuries wreak havoc on Bulldogs' season

## Fight through tough North Division

The Holmes Community College men's basketball team started the 2004-2005 basketball campaign like gangbusters winning 9-of-12 games against opponents from the South Division. Injuries, loss of key players and a tough North Division proved detrimental down the stretch after the Christmas break.

For the first time since being at Holmes, a Todd Kimble-coached team failed to make the postseason. The Bulldogs lost key player Kendall Granderson in the early part of the season to a knee injury and had other players leave the squad. This resulted in an 11-13 overall record and 2-10 in the North Division.

The Bulldogs had high hopes early in the season after playing their first six opponents – Co-Lin, Southwest, Jones, Pearl River, East Central and Hinds. The Bulldogs swept Hinds, East Central, Southwest and Copiah-Lincoln during the contests. The Bulldogs then split with Pearl River and Jones. The Bulldogs defeated Pearl River at Goodman, 84-77 and fell 57-71 at Poplarville. They defeated Jones at Ellisville, 83-76, and fell to Jones at Goodman, 85-64.

In North Division play, the Bulldogs split with Itawamba and Northeast. The

Bulldogs fell to Itawamba in Fulton, 92-67, before winning the home contest, 81-76. The Bulldogs defeated Northeast in Goodman, 73-51, and fell 85-64 in Booneville. State champion Northwest defeated the Bulldogs, 89-66 in Goodman and 77-59 in Senatobia. Mississippi Delta, East Mississippi and Coahoma swept the Bulldogs in home-home series.

For the Bulldogs, Terrance Akins made the All-Region team and First Team All-State while Michael Taylor and Anthony Carlyle were named Honorable Mention All-State. Akins represented Holmes in the All-Star game in Philadelphia.

Joining the Bulldog and Lady Bulldog coaching staff this season was Danny Robertson. Formerly Athletic Director, football coach and counselor at Durant High School, he is now part of the coaching staff on the Goodman Campus as well as serving as Vocational Counselor.

Robertson received both a bachelor's and master's degree at Ole Miss in health, physical education and recreation and a master's degree in secondary school counseling at Louisiana Tech.

He made several stints at Durant High School as an assistant coach before becoming head basketball coach in 1993, where he stayed as head coach until 2002. He led two basketball teams the state championship in 1994 and 1995, claimed

# Lady Bulldogs finish year at 19-7

The Holmes Community College Lady Bulldogs capped off an impressive regular season with trips to both the MACJC State Tournament and the Region XXIII Tournament, a first for Lady Bulldog Head Coach Chanda Rigby.

Coach Rigby had been to the state tournament but not the region tournament. The Lady Bulldogs had their chances in the tournament games but came up short to two teams who proved to be their nemesis all season long — Northeast and East Central. Of the seven losses this season, the Lady Bulldogs fell three times each to Northeast and East Central including the postseason. Holmes fell to Northeast in the Region XXIII Tournament in Clinton, 90-78 and fell to East Central, 65-60 in the MACJC State Tournament held at Co-Lin. The Lady Bulldogs finished 19-7 overall and 9-3 in the North Division.

During the regular season, the Lady Bulldogs swept Southwest, Co-Lin, Jones, Pearl River, Hinds, Mississippi Delta, East Mississippi, Coahoma and Itawamba. The Lady Bulldogs split with Northwest, losing 84-82 in Senatobia and winning 93-85 in Goodman.

After the season, the Lady Bulldogs placed two players, Angie Bounds and Ashley Howard, on the All-Region team while Bounds, Howard and Shalonda Williams made All-State. Tiffany Hubbard was named Honorable

Mention All-State. Howard and Williams were chosen to play in the MACJC All-Star game.

Both Howard and Bounds finished the season averaging double figures in points. Bounds led the team in points with 17 points per game while Howard had 14.5 per game. Howard led the team in rebounds with 230 while Whitney Johnson had 126 and Tiffany Hubbard had 119. Howard had 131 assists to lead the Lady Bulldogs. She also had 108 steals.

## Region XXIII Tournament

CLINTON — After falling behind by as many as ten points in the first half, the Holmes Community College Lady Bulldog basketball team never quit. The Lady Bulldogs tied the game at halftime, but the Northeast Mississippi Lady Tigers pulled away in the second half for the 90-78 win in the first round of the Region XXIII Tournament.

The Lady Tigers jumped out to a quick 4-0 lead after two free throws from Krystal Robinson and a two-point shot from Brittany Wilson. The Lady Tigers increased the lead to 10 points when Whitney Mayes scored with 12:15 remaining in the first half.

At that point, the Lady Bulldogs began to fight their way back into the game. With 11:19 remaining, Latonya Morris hit one

After a free throw from Northeast's Kelly Yates, Jessie Smith added a two-point bucket to tie the game at 20. Northeast increased the lead to five with 7:30 to go before the Lady Bulldogs took the lead at 28-27 with 5:46 left in the first half. Tonisha Agee added a two-point shot to give the Lady Bulldogs a four-point lead with 4:40 to go. After that the two teams fought back and forth to tie the game at 42 at halftime.

The Lady Bulldogs, on a two-point bucket from Morris, tied the game at 60 before the Lady Tigers began to pull away with 10 minutes to go. The Lady Tigers led by 15 within one minute to play before Hubbard hit a three-pointer as time expired giving Northeast the 90-78 win.

Agee led the Lady Bulldogs in scoring with 16 points while Hubbard added 15 and Howard had 13.

### State Tournament

WESSON — Of the five Holmes Community College Lady Bulldog losses going into the MACJC state tournament here Monday night, East Central Community College was responsible for two of them, once in overtime

and once in regulation. The Lady Bulldogs jumped out to an early lead but fell behind by 17 late in the first half and were never able to recover losing the game, 65-60.

East Central held a 17 point late in the game before the Lady Bulldogs began to fight and claw their way back into the game as Whitney Johnson and Tonisha Agee each added three pointers, Howard had a two-point bucket and LuRena Robinson a free throw to make the score, 55-47. Angie Bounds and Howard each hit two-point shots to pull the score within four at 55-51 with 6:25 left in the game.

The Lady Warriors increased the lead to eight again with four minutes to go in the game as Kim Cox hit a two-point bucket to make the score 62-54. Agee then hit two free throws and a two-point bucket and Howard added a two-point bucket to make the score 62-60 with 2:17 left in the game, which was a close as the Lady Bulldogs could get. Chaney added three free throws for East Central to close out the game.

Howard finished the game with 15 points for the Lady Bulldogs while Johnson had 11, Williams and Bounds each had eight and Agee had seven.

# Bulldogs want to make all tournaments

Most coaches would be more than satisfied with a 26-12 season record and a trip to the region tournament. But most coaches aren't Holmes Head Coach Kenny Dupont.

After reeling off 16 straight wins to start the 2003-2004 campaign, the Bulldogs then got into division play. They did what was necessary to get into the region tournament but failed to go to the state and national tournaments. Holmes lost to Northwest in the opening game, 8-6. Holmes then defeated Coahoma, 7-6, before falling to Northwest, 4-1, to end the season.

"We weren't satisfied with that," Dupont said. "We wanted to go further."

He feels good about the talent returning from last year's squad and the signees.

"We're going to play aggressive style of base running," Dupont said. "We're going to hustle and put pressure on the other teams. We'll hit and run and steal bases."

"We're not going to change our philosophy," he added. "We'll go at it with this personnel. We've won 151 in the last five years. The system works. We need just to get better and better at it. We're never satisfied with what we're doing."

He said the team has a great attitude. "They want to win, want to practice," Dupont said. "We will win as many as we can, get in the playoffs and try to keep in going."

Dupont is looking for big things from his sophomore class. He feels they will respond well for Holmes, but he is looking for them to prosper in the future at the university level and in the professional baseball arena.

Daniel Stevens, a left-handed pitcher from Ackerman, returns for his sophomore campaign. He pitched 57 innings for the Bulldogs last season with a 5-3 record striking out 70 and a 2.33 ERA. He throws 86-88 mph.

Also a left-handed pitcher and a sophomore, Dale Brewer of Raymond was a winner for the Bulldogs. He posted a 7-3 record with 45 innings pitched, 52 strikeouts and a 3.11 ERA.

East Holmes Academy product and right-handed pitcher Caleb Cain of Sallis led the Bulldogs in saves last season with five. He finished the 2004 campaign with a 1-1 record with 18 strikeouts and a 3.29 ERA in 16 innings of work.

Another right-hander from Kosciusko, Holland Myers, improved during the 2004 campaign. "He's going to pitch a lot for us this year," said of the Dupont of the Div. I or II prospect. Myers pitches 84-86 MPH. "He's a battler...a hardnosed competitor with a good attitude."

Myers finished the 2004 season with a 1-0

record with 17 strikeouts and a 4.67 ERA in 17 innings of work.

Pearl native Matt Buchanan batted .240 last season with one home run. He also pitched 23 innings with a 2-1 record striking out 15 and a 2.43 ERA. Dupont said the right-hander throws 84-86 MPH. "He's a good kid, competitor and Div. I prospect."

Brent Telano joins Stevens from Ackerman High School and plays outfield and pitcher. The left-hander throws 84-86 MPH and also bats from the left. The Div. I and pro prospect threw 12 1/3 innings last season with a 1-0 record and eight strikeouts and a 2.80 ERA. He batted .381 with one home run.

Shamond Hoskins from Weir joined the baseball squad last spring after finishing two seasons of football. The left-hander played outfield last season batting .375.

"He has good range in outfield with a strong arm," Dupont said. "He can also pitch. He's a good kid with a good attitude. He hustles and is getting better and better."

Joining the Bulldogs this season is East Central transfer Mario Thomas of Forest. Thomas played both infield and outfield for the Warriors last season.

"He's very, very fast," Dupont said. "He has a strong arm and knows how to play the game. He swings the stick very well and can also pitch. I look for him to come in here and give us a boost with the stick." Thomas is a Div. I and pro prospect.

The Bulldogs had two other transfer come in after the Christmas break -- Kolby Green of Indianola and Jobe Allen of Byram, who are both sophomores. Green is a pitcher while Allen will play catcher.

The Bulldogs picked up a drafted in the spring major league draft, Jared Elmore of Raymond.

Elmore, who plays outfield and pitches, was drafted in the 33rd round by the Baltimore Orioles. Elmore, who throws 88-90 MPH from the right side.

Brian Barksdale of New Hope will play the outfield for the Bulldogs. Ryan Cobb of Hillcrest Christian in Jackson is a left-handed hitting outfield and first baseman. Kosciusko product John Cox is a right-handed catcher. Isreal Lepard is an infielder/outfielder from Kosciusko, and he also pitches.

Biloxi High product Luke Smitherman is a catcher from Biloxi. Two-sport player Marcus Spann of Hattiesburg also joins the baseball team at an infield position or on the mound. He is also a member of the basketball team.

Torey Brown is a freshman infielder from Starkville while Tolliver McMullen is a freshman infielder from Madison Central hailing from Canton.

Rounding out the Bulldogs this season is Hattiesburg High's Adrian Hibbler. The right-handed pitcher throws 86-87. He could also see some action in the infield or outfield.

The 2004-2005 Holmes baseball team went into the fall season and school year with heavy hearts after losing one of their own in a carjacking in Jackson on Aug. 16. Jabari Crockett, a right-handed pitcher and outfielder for the Bulldogs, died from injuries sustained in the carjacking on Aug. 15. He was expected to play a major role for the Bulldogs this season. \*See page 17

## Lady Bulldogs play hard during season

Lady Bulldog Head Coach Terry Fancher's first year at the helm of the school's fast-pitch program didn't turn out as he had planned.

He knew it would be tough trying to implement a new system in such a short time but injuries and other factors delayed the progress he had hoped for.

"My first year as head coach was a great learning experience and a tremendous challenge as well," Fancher said. "It was one filled with high hopes but with some concerns regarding our personnel. We lost a few players in the fall whom I felt would be great contributors to the overall success of our team for the spring and we lost several players during the first part of the spring season due to injuries and disciplinary reasons."

Fancher said several players were forced to play out of position. "But I think those players did an admirable job in the process," Fancher said. "These losses made it tremendously difficult for us to succeed at the level I had hoped

for; but despite this, I was proud of those players who made the efforts to adjust to such a difficult situation. I strongly believe that had our team not suffered such setbacks, we would have been much more successful."

He said he is glad his returning players didn't give up last year. "I want them to realize that you can't give up when things don't seem to be going your way" Fancher said. "You have to pick up the pieces and start over again to build something that you can be proud of."

"I am anxious to see how this team will respond this year, especially the sophomores, to the type of adversity they experienced last year with all the injuries and disciplinary dismissals that took place," he said. "It seemed that everything that could go wrong last year did; and it felt as if the discouragement for both the players and the coach just would not end."

"I am sure that our team's character and mental toughness will be tested again this year but

The 2004-2005 Holmes softball team went into this season with heavy hearts after losing one of their own in a tragic car accident on Dec. 16.

Carrie Lott, a sophomore from Stewart, was an outfielder and first baseman on this year's team.

our future successes will be built on how we bounce back from our earlier defeats. We have to forget about last year and focus our attention on how we can improve our abilities to make this season more memorable."

Don't expect Fancher's philosophy to change. You will see the players increase strength because a commitment to have them spend more time in the weight room.

"We spent more time last year trying to develop fundamental skills than we did on actual strength training although we conditioned cardiovascular-wise almost daily," said Fancher.

Fancher said his players will work hard in the classroom and on the field. "With the group I have coming back and the new players I am bringing in, I am excited about seeing what this team can accomplish barring anymore injuries or other problems," he said.

Returning for the Lady Bulldogs will be All-Division team member, Martha Cook, second baseman/catcher from Strider Academy. Cook led the Lady Bulldogs in hits with 20. She batted .256.

Nikki Meeks, who also suits up for the Lady Bulldog basketball team, hails from Central Holmes Christian School. She joined the softball team after basketball season last year. Meeks batted .292 with 14 hits including two triples.

addition to the team because of basketball, comes to Holmes from Strider Academy. James batted .232 with 12 hits including one double.

April Golding, from Winona Christian School, has been plagued with injuries since she has been at Holmes. Golding batted .208 last season.

Lauren Ann Greenlee, another product of Winona Christian School, batted .292 along with Meeks, had 14 hits including two doubles last season. She played third base during 2004.

Freshman Ami Summers of East Holmes Academy will play either infield or catcher for the Lady Bulldogs.

Fancher said Kristen Lawrence of Kosciusko High School will be one of the Lady Bulldogs' leading pitchers this season.

Joining Lawrence from Kosciusko is Lyndsey Gove. She is an infielder.

Eupora High School's Janet Taylor will play the outfield while Cherelle Stamps of Vicksburg and Celika Moore also join the team. Moore plays both infield and outfield while Stamps play infield. Kelsey Ward, an outfielder from Manchester, is a freshman from Benton.

Ridgeland High School's Kathrynna Bailey will play the outfield for the Lady Bulldogs.

Mindy Haynes, a versatile player from Canton Academy, can play infield, outfield and catcher.

# "Little Bit" Jones leads way in '05

*She hopes to build on third place finish in state from last season*

Holmes Community College Head Tennis Coach Andy Wood said he wouldn't be surprised to see Goodman sophomore Latoya "Little Bit" Jones competing for a state title this year in women's singles.

Jones, who hails from Holly Bluff, went to the state tournament last season at Meridian Community College and finished third in the state. She defeated Pearl River's Jean Tetzlaff in the first round and then defeated Itawamba's Amanda Garrett before falling to Jennifer Ladner of Jones

County Junior College.

"Her big thing is that she's a great athlete," Wood said of Jones. "The more matches she played in, the better she got. She got to where she was pretty hard to deal with."

Wood said Jones has a good first serve. "She's working on her second serve," he added. "She's just so quick she can get there."

"She's got a chance to be really good," Wood said. "She was the only freshman last year in the final four. She'll have the experience this year that the oth-

ers (other teams) won't. She's tenacious. She's relentless."

Kayla Edwards from Kosciusko and Jessica Walters from Madison Central will be freshmen on this year's squad.

Michael Hatcher of Kosciusko is the only men's team member returning. "He was our No. 1 player last year and had to go against all the No. 1's across the state," Wood said. "He got valuable experience last year. He's very competitive by nature."

Demetrius Henry, who was to play last season,

broke his wrist in the fall and was not able to play. "He's going to be a good player for us," said Wood.

Michael Murphy and Brent Sesser of Eupora, Sam Shields of Kosciusko and John Simmons of Yazoo City through Manchester Academy will be freshmen on this year's squad.

"I expect the men's team to improve this season," Wood said. "I feel we will be real competitive with the girl's team. We are not a full squad right now. I hope we will be able to add some players in the spring."

# Garren hopes to make nationals

He finished tied for 25th last season

For the second season in a row, the Bulldog golf program had one of its members make it to the national NJCAA golf tournament.

During the 2002-2003 season, it was Benton native Britt Johnson. Last season it was Madison Central product Matt Garren, who also plays football for the Bulldogs.

Garren participated in the NJCAA National Golf Tournament in Phoenix, Ariz. at Palm Valley Golf Club during the week of May 25 and finished tied for 25th. Garren came short of All-American status. The top 18 players in the country received the status.

Garren shot 77, 75, 71 and 79 to end with a score of 14 over par for the tournament.

After the 2003-2004 season ended, the golf program at Holmes was moved to the Ridgeland Campus and long-time golf professional William Earl Morgan of Brandon was named head coach. Coach Todd Kimble, who also coaches basketball on the Goodman Campus, will assist Morgan after serving as head golf coach the last four seasons.

Morgan, 68, is a 1958 graduate of Mississippi State University. He received his master's degree in education from Ole Miss in 1967. He then earned his Class A certificate to be a PGA golf professional in 1983. He has served as head golf professional at five different courses across the state. The Greenville native's stints and their respective courses include: Greenville Municipal, 12 years; Clear Creek at Vicksburg, five years; St. Andrews in Ocean Springs, one year; Brookhaven Country Club, three years; and Rolling Hill Country Club in Crystal Springs, two years.

He has also worked with the Delta State University golf team as well as served as tournament director of the Mississippi Golf Association. He has been named Pro of the Year by the PGA on two different occasions and has been named to the Gulf States Hall of Fame.

Before teaching others how to play golf, Morgan was in education for 20 years. He worked in the Biloxi School System for one year before going to work for Greenville Public

Schools, where he served as coach, transportation director, assistant superintendent and athletic director at times during his time there.

Morgan said he's glad to have Garren coming back on this year's team. "Matt would be a great building block for us," said Morgan.

Also returning this season will be Joseph Stewart of Lexington. Two Madison Central golfers also join the squad --- Chris Ford and Joseph Pressley.

AND HE RESTED FROM ALL HIS WORK"

- GENESIS 1:31, 2:3

A black and white photograph of a dog house and a dog bowl. The dog house is light-colored with a dark roof and a dark entrance. The dog bowl is light-colored with a dark rim and contains a dark bone. There are three dark paw prints on the ground in front of the house. The text 'MAKING TRACKS' is written in a black, hand-drawn, blocky font.

# EDITORS' NOTE

No words can express our gratitude to the faculty, staff, students, and community of Holmes Community College. Putting a yearbook together is a very lengthy process that takes time and dedication from all involved.

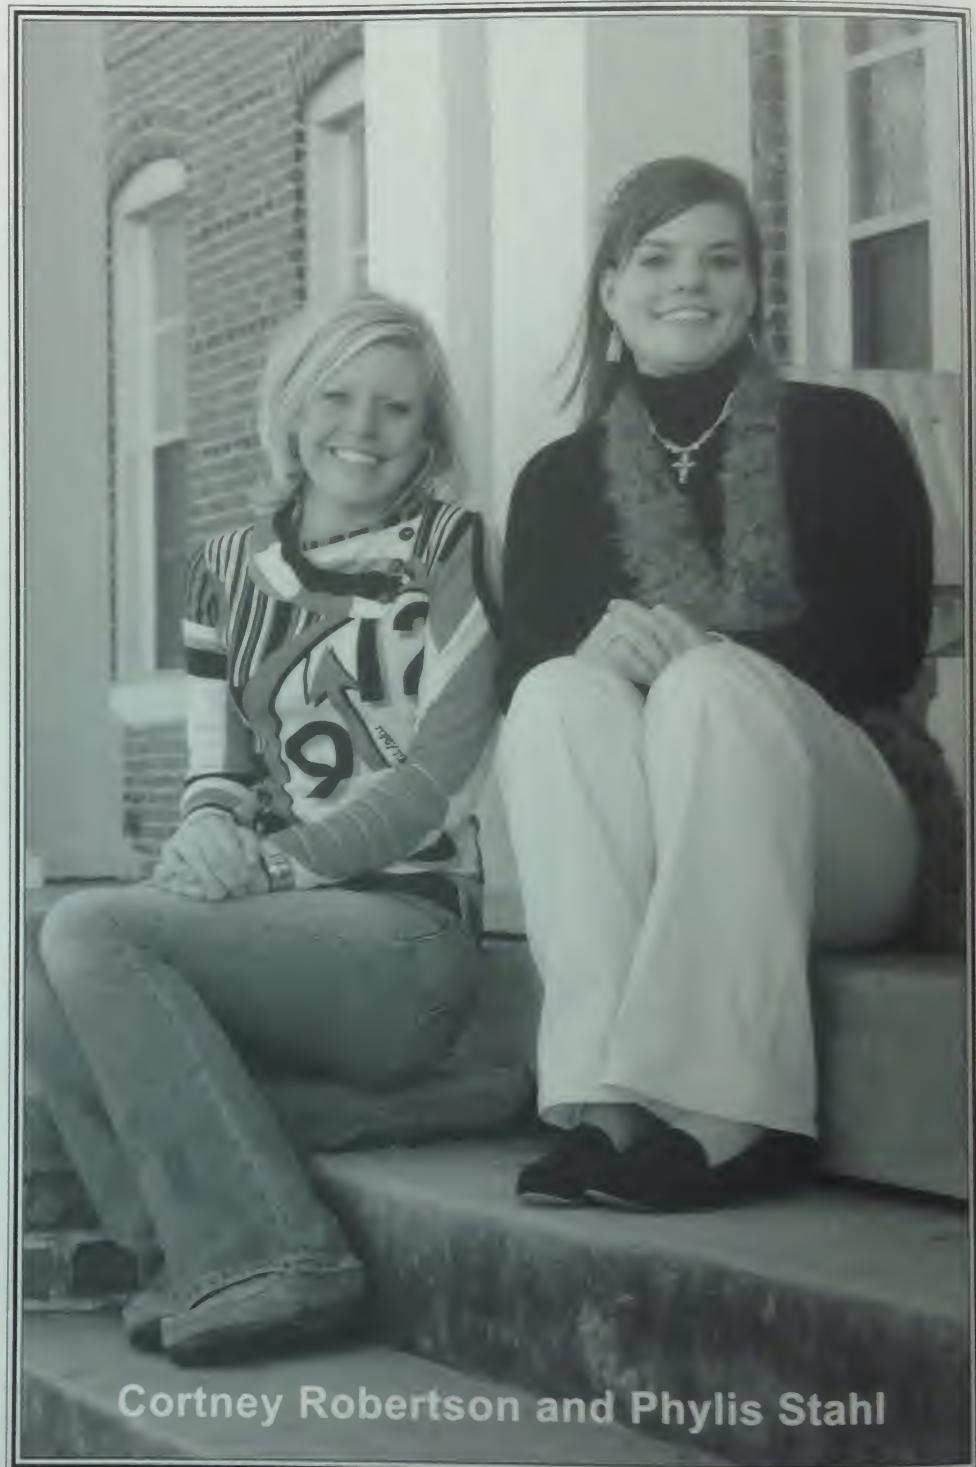

First of all, we would like to thank Nan Sykes, who has spent many hours reading, rereading, and proofing all the stories and captions put in our yearbook. Next, we would like to thank Steve Diffey, our co-yearbook sponsor for all the hard work he put into this yearbook. Without him, our sports section would not be as wonderful as it is. Lastly we would like to thank our new yearbook sponsor, Melissa Love. Her hard work has definitely paid off. Since we have gone all digital, her knowledge of the new technology has definitely been helpful. With many setbacks, we thought the book would never be done, but now it is complete and we can all just sit back and enjoy.

We would also like to take the time to thank our entire yearbook staff from both fall and spring semester. Without their willingness to design pages, give ideas, and write stories, there is no way we could have met our deadlines. Thanks to all the sophomores and good luck in the future. Also, thanks to the freshmen for working so hard, and we hope next year's staff is as wonderful as it has been this year.

While putting the 2004-2005 yearbook together, we tried to include pictures from all types of activities that represent our times at Holmes. We hope that you enjoy your book and use it to look back on in the years to come.

Holmes has served as a foundation for your higher level of education that you have begun to receive. We hope that the teachers you have encountered while here have made great impressions in your lives, and that you carry with you their knowledge.

In closing, we would like to say "Go forth, be prosperous, and **MAKE TRACKS!**"

**Cortney Robertson and Phylis Stahl**

# MAKING TRACKS

Holmes Community College's 2004 Horizons, Volume 76, consists of 240 pages on a 9x12 format. The book contains 80# paper and a Smyth binding. There are 24 color pages.

The 1,500 copies of the book were printed at Taylor Publishing Co., Inc., in Dallas, Texas. The sales representative was Ben Allen. The in-plant representative was Tami McConnell.

The cover is lithocote with red 804 and silver 89 on Monkey Grain. End sheet is white index with 4-D pawprint. Graphic artist Stephen Williams of Oklahoma took the yearbook staff's idea and

designed the cover. All pages were composed on a Macintosh G4 using Pagemaker 7.0 and Photoshop CS. Pages were built using YBPro!

Making Tracks is in Snowwrite font. Other fonts include Times, Times New Roman, Arial, Bern T, Eric T, Embassy, Helvetica, Impact.

No spot color was used in the yearbook.

Portrait photographs were taken by Southern School Images with headquarters in Jackson. The viewpoints represented in this yearbook are solely of the staff and in no way intend to reflect college policy.

# A good education ensures a great future. A great bank doesn't hurt either.

Knowledge will take you a long way in the world. It seems that most successful people have a few things in common – intelligence, honesty, persistence and commitment. But even the greatest of minds can use a strong financial partner.

If you're looking for the right bank for you, come by and give us a pop quiz. You'll see that we've done our homework.
